INTRODUCTION

INTRODUCTION

This is an update of the Directory of Computer Software and Services.

It is intended to meet the continuing demand for the previous edition now both out-of-date and out-of-print.

The information contained in the directory does not imply any government endorsement of a company's capabilities. It simply reflects the products and services advertised by each company.

The information contained in this directory is also available on-line with Industry, Science and Technology's computerized Business Opportunities Sourcing System (BOSS).

Within Industry, Science and Technology Canada, (ISTC), the focal point for computer software and service companies is the Software, Systems and Services Division of the Information Technologies Industry Branch, telephone (613) 954-3286, telex 053-4123. If further information is required on computer software and service firms, please contact the division at the following address:
